

# Gibson J-100 Acoustic

This is set up on an  
8.5" x 11" sheet of paper.

You'll need to confirm this  
is the correct pick guard  
by printing it at 100% scale

For information on how to confirm the PDF outline see the following link  
<http://www.terraringuitars.com/pdfFilesConfirmation.html>

If you can't get the PDF to Measure up right  
then it's a good idea to order a laser cut mock  
up prior to ordering your final pick guard.
